

MIDWEST EXPRESS INC. ENVIRONMENTAL POLICY

Midwest Express Inc. is dedicated to the protection of our natural environment. To reinforce that dedication, MEI will conduct operations with the following philosophy:

Maintain its commitment to comply with applicable environmental regulations required by local, state, and federal agencies, as well as internal requirements.

Emphasize MEI's responsibility for continuously improving environmental performance and adopt appropriate operation policies and training.

Implement programs to conserve raw materials and energy, and whenever practical, will recycle or reduce waste generated by our activities.
